Strategic communications expertise needed

Work with professional writers across FCC to establish and maintain a framework of content management and editing standards, ensuring content supports business priorities and is created strategically and efficiently.

What you'll do:

- Advise internal partners on related strategies, frameworks and best practices
- Collaborate with colleagues to develop content plans related to employee-facing information and initiatives
- Recommend and help implement tactics that will effectively support and influence employees
- Provide writing, editing and consulting expertise

What we're looking for:

- Confident communicator with proven ability to develop strategies, provide guidance and coach partners
- Well versed in web content usability best practices
- Creative thinker comfortable recommending new communication approaches
- Team player who seeks out opportunities to collaborate

What you'll need:

- A university or college degree in journalism, English or communications and at least six years of related experience (or equivalent combination of education and experience)
- Professional-calibre English writing, editing and proofreading skills
- Extensive knowledge of online content management
