

Job Title: Multimedia Producer

Job number: 036-17/18
Location: Regina, Saskatchewan
Closing date: June 14, 2017
Division: Marketing
Language required: Bilingual
Term: 15-month term

Strong technical and functional skills needed

As part of an agile, cross-functional creative development and branding team, you'll conceptualize, develop and produce video and multimedia material.

What you'll do:

- Develop video briefs, concepts and plans
- Interview, film and edit material, including elements such as audio and animation
- Edit videos using Adobe Premiere and Adobe After Effects
- Consult, research and analyze multimedia needs in order to generate and share ideas

What we're looking for:

- Passion for videography and marketing
- Multi-tasker adept at managing a variety of projects under tight deadlines
- Innovative problem-solver able to generate ideas that challenge conventional thinking
- Confident communicator who excels at building partnerships

What you'll need:

- A degree in arts, interactive media, design or visual communications and at least three years of related experience (or equivalent combination of education and experience)
- Fluency in both official languages

Build a career with one of Canada's top employers

Thrive in an inclusive culture of teamwork, strong leadership and respect. Here, diverse people pull together to achieve goals that are challenging and rewarding. You can learn and grow in an environment of acceptance and accountability. Come meet FCC.
