

## Job Title: Communication Analyst

Job number: 190-17/18  
Location: Regina, Saskatchewan  
Closing date: November 1, 2017  
Division: Marketing  
Language required: English  
Term: 20-month term

### Digital communication expertise rewarded

Work with internal stakeholders to match business needs with digital communication solutions.

What you'll do:

- Manage internal digital channels using a variety of platforms and tools
- Advise partners on using digital channels, including our intranet, internal social media and email
- Collaborate with IT and content providers to ensure a strong user experience

What we're looking for:

- Audience-driven communicator who adapts their style to the situation
- Relationship-builder and collaborator able to understand the needs of employees
- Self-starter open to change and innovation
- Marketing and communication professional with an understanding of digital platforms
- Office 365 experience

What you'll need:

- A degree in information management, library sciences or business administration and at least three years of related experience (or equivalent combination of education and experience)

### Build a career with one of Canada's top employers

Thrive in an inclusive culture of teamwork, strong leadership and respect. Here, diverse people pull together to achieve goals that are challenging and rewarding. You can learn and grow in an environment of acceptance and accountability. Come meet FCC.
